## IN MEMORIAM

Douglas McArthur Barnes, a beloved classmate, passed from our presence on May 7, 1956. Douglas was the sole member of our class whose life was lost. Though he is gone, his bright spirit and joviality lives on. Douglas's companionship we did enjoy, and now, his memory we do cherish.

## DEDICATION

We, the senior class of 1961, in recognition of her unfailing devotion to her profession, dedicate this, the 1961 PANTHER'S PAW, to Mrs. Lossie T. Brinson. Although it has been four years since she taught us, we have not forgotten her love, kindness, and understanding in preparing us for high school and our future years. Even though we may be separated by time and distance, we will always love and cherish you. We, the Seniors, join in saying, "Thanks for your helpfulness."

## PRINCIPALS MESSAGE

These years during which it has been my privilege to work with you have been truly rewarding ones. It has been with great pleasure that I have seen the progress that our school has made and the development of character and academic skills that the students have displayed. May we continue to work together toward the goal of ever improving educational opportunities.
